

MARC Learn to Swim

Welcome to the MARC and the 2010 Spring Season of our Learn To-Swim Program!

The primary purpose of the American Red Cross Swimming Program is to help people of all ages to learn to be safe when they are in, on, or around water. The program covers the skills and knowledge in a logical progression for aquatic skill development. As participants develop these skills, they will become safer and better swimmers.

We offer a total of **3** monthly sessions in **March**, **April** and **May**. Classes held on **Tuesdays & Thursdays**.

All classes are taught by a Red Cross Certified Water Safety Instructor.

The MARC is supported by the City of Meadville, West Mead & Vernon Twps.
